I, DO / DO NOT, WISH TO PURSUE CRIMINAL CHARGES.

I was stopped going east on McHard at the light at Country Place Blvd. The cars in front of me were starting to go then stopped. ~~so~~ I tapped my brake then I felt a bump. The guy behind me had hit my vehicle. I got out to take a picture of the guys license plate number. He opened the door and said you don't have to take a picture we need to pull over. I took the picture anyway. A witness got out and asked if I was ok. The guy who hit me said to pull over into Country Place Blvd. so I got back in my car & pulled into our agreed upon location & he drove the opposite way. The witness followed him. I called the police to report it. The guy that hit me was a black male license plate [REDACTED] DL LP VIN [REDACTED]. The damages to my back bumper are going to be about \$2,000. I was in the left lane when I was hit.

On his oath, affiant further deposes and says that he bases his belief of the foregoing upon the following: On November 1, 2018, at approximately 11:55 hrs, I responded to a hit and run accident located in the 2300 block of Mchard Rd, Pearland, Brazoria County, Texas. While en route dispatch advised that the suspect fled the scene but was being followed by a witness.

A short time later I met with the witness later identified as James Fain who was parked at the intersection of Lambeth and Southdown. Fain stated that he followed a green in color Honda mini van with temp tags and the vehicle was parked somewhere on the next street over. While speaking to Fain, the suspect vehicle drove Southbound on E Belgravia Dr. I then proceeded to catch up to the vehicle and activated my emergency lights and siren. The vehicle continued to drive at a high rate of speed, but stopped at the intersection of S Belgravia and Southdown Dr. I was able to exit my patrol vehicle and detained the driver later identified as Eugene Howard (b/m dob: [REDACTED] DOB [REDACTED]). I asked Howard why he did not stop and if he knew why he was being stopped. Howard stated that a truck was chasing him and when he saw the lights he pulled over. It should be noted that Howard is driving a green in color Honda Odyssey bearing [REDACTED] DL LP VIN [REDACTED] with minor damage to the front bumper area.

Officer Gonzalez was able to meet with the victim identified as Kathleen Robinson and driver of the other vehicle. Officer Gonzalez advised that Robinson provided him with a verbal as well as a written statement. Robinson stated that on November 1, 2018 she was driving east on Mchard near the intersection of Country Place Blvd. Robinson stated that she was stopped at the light and felt a bump from behind her. Robinson stated that she got out of her vehicle to take pictures and talk to Howard. Robinson stated that Howard advised that there was no need to take pictures and they needed to pull over. Robinson stated that as she tried to pull over Howard took off and fled the scene. Officer Gonzalez later brought Robinson to Howard's location and where Robinson positively identified Howard as the driver. Robinson stated that damage was going to cost about \$2,000.00 to repair.

Based on the fact and evidence presented on this case, I placed Howard into custody for Driving While License Invalid and Accident involving damage to vehicle more than \$200.00. Against the peace and dignity of the State.
